Then get paid online or however your patient's prefer!

SEND BILLS EASIER

GET PAID MORE

Online eBill

Send online statements the same day, saving more than 60% over mailed statements. Plus, eBills make it faster & easier for patients to pay you.

Online ePay

Lets patients pay you online using their increasingly preferred method. Plus, your patients can now pay you online 24x7.

Print & Mail

Painlessly send professional & customizable statements, from your Crystal PM application, that are mailed the next day.

Billing controls allow you to review, customize, edit, approve, and select delivery method of bills.

Walk-in, Mail, Phone OfficePay

Lets you process all types of traditional patient payments. Plus, integrated payments are easily posted to your billing application for complete tracking and reporting.

Comprehensive payment options include StoredPay, PlanPay, and AutoPay.
